

Proposed tax rates/charges for the Local Governments for financial year 2022/2023.

Amuria District Local Government has come up with the following proposed sources of revenue and rates to be discussed by various stakeholders in both HLG and LLG's involving the STPC and DTPC together with finance committee meetings and be forwarded for approval by the full District Council to be used in the financial year 2019/2020. However, for consequent financial years, it will be upon the council to come up with new sources.

They include:
